*The Badger's A*

Official publication of the Wisconsin Region MARC.

We are a Region of the Model "A" Restorers Club, Inc., and are dedicated to the preservation, use and exhibition of the Model "A" Ford, produced for the years 1928-1931, and literature pertaining to it. Membership information and application are in newsletter. Newsletter deadline is the 20th of the month, subject to change due to editor's schedule. News articles and other information relative to our old car hobby are encouraged to be submitted for publication by the members. Proper references and credits must be given if borrowed from another publication or the web. Material may be borrowed from this publication, provided proper credit is given to both the author and *The Badger's A*.

# WANTED PARADES & PARADE SPONSORS

Participating in parades is a good income source for our club, which helps keep the dues down. We're looking for more parades with sponsors, along with more sponsors for our current parades. Contact the Vice-President with suggestions. Please ask the possible sponsors before sending to the VP, so they do not have to place any cold calls.

# WANTED TOURS & EVENTS

Some people like them short, others like them longer and still others feel the tours are too far from home.

Since nobody knows your area better than you, I'm asking our members to come up with some tour ideas for their area. All you need is a starting point, destination and a route. A lunch stop on the tour is optional.

Think of some places that we could go to, and let me know what you come up. We can work together to take it from an idea to an actual event.

~Chad Peck, Vice-President

## Comments from the Coupe

Earl Gritton, President

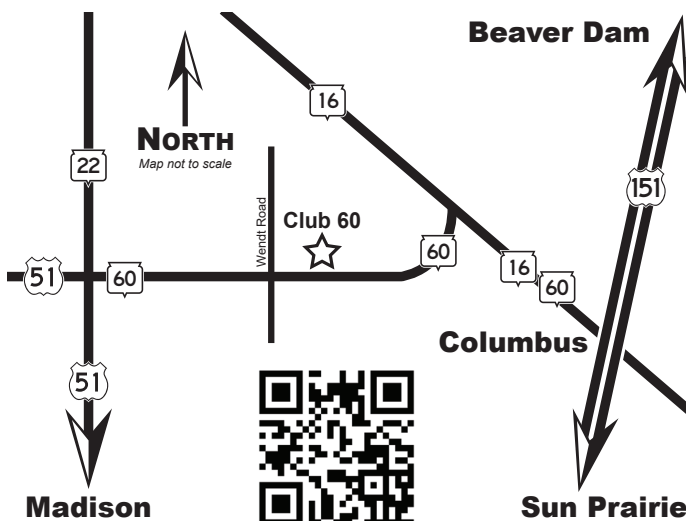

It was great to see you all at our October 12 meeting. Several of you made it who we haven't seen in awhile. This location helped in that regard.

We're very pleased to welcome new members Thomas Johnson, Terry Johnson and his son, Branden Johnson.

There was good representation from our club for Fran Drake's open house September 12. Fran was alert and in good spirits and enjoyed the day. Unfortunately he passed away soon after. We lost a long-time active member.

We need to elect persons for the Vice President and Member at Large positions in our club. Chad and Lowell have chosen not to run again. In addition, Tony has announced that he is stepping down from the editor position, which is an appointed position. These are important positions in our organization and are essential to the functioning of our club. Without people willing to step up and work for the good of our club we will cease to exist. While each position has several responsibilities, much can be delegated to others and some of what has been done can be eliminated. We know all of us are getting older, many have already served in various capacities in the club and feel we have 'paid our dues', but still - we need people who will carry out these responsibilities. Please consider being a candidate for one of these positions and know that the board will work with you to tailor the responsibilities to those with which you are comfortable. We have a great club with great members and let's keep it going. Nominations will be announced at our November meeting but candidates will be accepted up to election day, December 7. Terms of office will start January 1, 2025.

Just a reminder that our annual banquet and meeting are scheduled for November 9 at Club 60, Columbus. This is always a great occasion to meet, eat and mingle with fellow club members. See you there!

## October Club Meeting Minutes

Jan Concklin, Secretary/Treasurer

The Wisconsin Region monthly meeting was held on Saturday, October 12, 2024 at the McFarland American Legion and hosted by Judie Heiman, Dennis & Janice Mack, Christine Norsetter and Dick Markielewski. There were 43 people in attendance. After the Pledge of Allegiance, Earl thanked the hosts and welcomed everyone for coming. We welcomed three visitors who became new members: Terry Johnson and Brandon Johnson his with son Thomas.

The September's Secretary's report was accepted as printed in the Newsletter with the correction that Dale Metcalf joined the Nominating Committee minutes after the September meeting was adjourned. The Treasurer's report was accepted as read.

Vice President: Reminder that the banquet reservations are due soon, mail them to Jan Concklin ASAP.

Editor: Tony is stepping down as Editor and would help the new person get started.

Sunshine: See article in newsletter.

Old Business: The nominating committee, Harold Bursaw and Dale Metcalf, is working to fill the two positions open January 1st. If you want to volunteer, talk to one of them.

New Business: None.

Motion to adjourn made by Lowell Walheim and seconded.

## October Board Meeting Minutes

Jan Concklin, Secretary/Treasurer

The Board met on October 13th. We primarily discussed the final details for the banquet, the open board jobs and the Editor position, keeping the 2025 dues the same, and continued the conversation about the future needs of the Club. With the holidays approaching, we will not be meeting again until the first of the new year.

## Annual Banquet and Meeting

Saturday, November 9th, 2024

Club 60 - Columbus WI

It's time for our annual Wisconsin Region Banquet, a great time to reconnect with friends and enjoy delicious food.

Date is November 9, and the location is the same as last year, Club 60, W2164 State Highway 60, Columbus. Doors open at 12:30 and we eat at 1:00. We will have a short Club meeting after lunch.

Food options are Shrimp (deep-fried or broiled), Queen Prime Rib, Half-Chicken, 8 oz. Filet or Vege Alfredo. Prices, and the reservation form, were in the last newsletter. Send your RSVP to Jan Concklin before November 1st. Save postage, and pay your dues at the same time.

To add some more fun to our banquet, we have scheduled the Star Grass Band, a group of 3 young performers who play Blue Grass and Folk Music.

## Sunshine Report

*Karen Walheim*

*Brighten these members' day with a card, phone call, or a visit*

Maxine Paxson had surgery, wishing her well as she recuperates.

Chad Peck will be having surgery in November.

Long time member, Fran Drake, passed away on September 28th. Fran, and his wife Marian, joined our club in 1991, and was the club editor from 1992-1993. Fran also wrote technical articles for the newsletter, which could be quite long, and had to be split over several months. We extend our deepest sympathies to his son and Wisconsin Region member, Ken Drake, and the rest of his family and friends.

## Chad Peck Surgery Update

As Chad mentioned at the October meeting, his surgery is now on November 14th. We will send out an update in an email once he is home to let everyone know how he is doing. One of his co-workers set up a GoFundMe page to help with medical expenses. If you would like information on that, please contact Lynette at (608) 469-6587 and she can give you the link. Thank you to everyone for keeping him and his family in your thoughts and prayers.

## Board of Directors Nominees Needed

Buzz (Harold) Bursaw and Dale Metcalf have volunteered to be on the committee looking for candidates for the board of directors. For more information, contact Buzz or Dale.

## November Banquet Raffle:

Looking for donations to add to the table for door prizes. Doesn't have to be Model A related, but that would be best. Also need someone who could contact a few vendors to get some coupons to add to the table. Call Jan Concklin, (608) 221-2198 or [jconcklin@tds.net](mailto:jconcklin@tds.net) for information.

## Rosters are Available

The new club rosters are ready and come in smaller size at 2 1/2" x 4", and larger size at 3 1/2" x 5". Pick up your roster at a meeting or by sending a SASE to the editor, and indicate what roster size(s) you want. One stamp will cover the postage of mailing two rosters.

## MARC Mileage Program

*Martha Sillman, Local MARC Mileage Coordinator*

If you're in the MARC Mileage Program, remember to take your current mileage, before putting your "A" in storage. I'll take them at the meetings and Banquet, and to mail them to National before Christmas. You can also call me at (920) 342-0367. If you are not in the Mileage Program, now would be a great time to sign up for it.

## Honor Flight Honoree

Lowell Walheim will be going on the 57th Badger Honor Flight on November 2nd. His flight is scheduled to be back at the Dane County Airport at 8:20 pm, if anyone would like to greet him and the other vets on their return.

## 2025 Dues

Good news, the dues will remain the same as previous years: \$25 for the local dues and \$50 for the national dues. Important note: unless you no longer own a Model A or are permanently not driving it, the national dues are not optional per our charter. If your information has not changed since the Club Directory was printed, you do not need to fill out a new form. Please send your \$75 check to Jan Concklin, 4818 Ferris Ave, Madison, WI 53716, or hand to her at the November or December meetings. All dues must be paid before the end of December so a check can be sent to the National in a timely fashion.

# WANTED ADVERTISERS FOR OUR NEWSLETTER

Our advertisers help pay for the newsletter, which in turn helps keep our membership rate down. Do you know of any businesses that might like to advertise in our paper? Ask them, then contact our Paid Advertising Chairperson with their information.

## Editorial Edits

*Tony Sillman, Editor*

I have notified the Board of Directors that I will be stepping down as the Editor for this club, and that they should start looking for a replacement. May 2025 will mark my 4th year this time around as Editor, and I also did 4 years the time before this. Was originally planning to do this term for a longer time, but unfortunately cannot.

Along with stepping down from the Editor's position, I will also be stepping down from the Webmaster spot. This positions can be done by two people, does not have to be a single person.

The date I will be stepping down from these positions has not yet been determined, it depends on how soon someone will step up and take over, how much training they want/need and what the board wants to do.

If you have any interest in being the Editor or Webmaster, or have questions on what the jobs involve, please feel free to contact me.

## Looking for Missing Parade Signs

Are any of the sponsor signs from the parades this year still at your place or in your car? Please return these to Tony Sillman, so we have the complete inventory. The sponsors have to pay to have these signs made, and it's awkward to go back to them and ask for replacements.

For those curious on where our 65 member families are from, this shows the cities with 2 or more families, and what percentage of the membership lives there.

The cities of Arlington, Baraboo, Cambridge, Cottage Grove, Cross Plains, Dane, Dodgeville, Evansville, Fall River, Fennimore, Jefferson, Lodi, Monticello, Neenah, New Glarus, Poynette, Shoreview, Spring Green, Stoughton, Watertown and Woodruff have only one family living there, and each make up 1.54% of the membership.

Other information on our membership: we have 110 adult members, 54 men and 56 women. There are a total of 8 "kids" in our club, who are 21 or younger.

## **Wisconsin Region's Heroes**

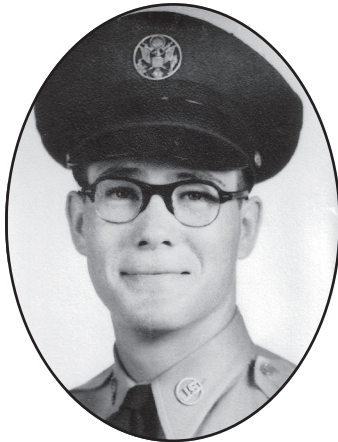

Veteran's Day - November 11th

Every year we proudly list the names of our veterans in our November newsletters to give them the recognition that they all deserve. Thank you to all of our club vets, both listed and unlisted, past and present members, for all you did in serving our country.

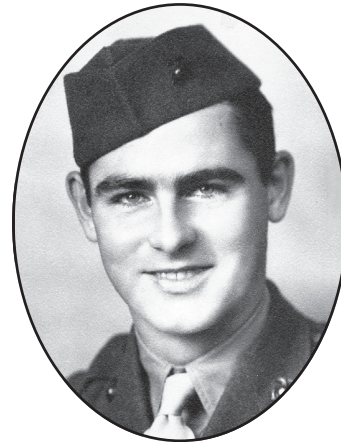

If you are a veteran, and would like to have your name added to next year's list, or have a military photo you want to submit or update, please let the editor know.

## Sittin' On The Running Board

Problems when you convert a model "A" to 12 volts!

Fran Drake

The mystery of the 6-volt dropper, a device sold by some vendors. Forgive the word "dropper", but it is rather descriptive, so I'll reuse it.

It is a mistake to think of a wire wound resistor (dropper) as a magical way to shed 6-volts from a 12-volt circuit. A resistor will work for only one set of circuit conditions.

All electrical battery circuits' problems must answer one of three questions. What is?

The voltage (V), current (I) and the resistance (R). The answer must embrace  $E=I \times R$ , where E (volts) I (amps) and R (ohms) are interrelated.

In a Model A, you have several 6-volt light bulbs. A head light lamp and a tail light bulb. What if you wish to use a 12-volt dropper for all bulbs? Will one 12-volt circuit 'dropper' work regardless of which lamp is in a socket? NO is the answer!

You most know the current that a lamp or (lamps) take to correctly locate a 'dropper'.

How to calculate circuit current.

A 6-volt headlight takes 3 amps of current to light thus the dropper must drop 6-volts, of the 12-volts, or the lamp will burn out. In this example, the resistor must be 2 ohms. A 6-volt drop equals 3 amps flowing thru 2 ohms. Again,  $E=I \times R$  or  $6=3 \times 2$ .

Another example. If the 6-volt taillight takes 0.3 amps of current to light, then one dropper must still drop 6-volts, of the 12-volts, or the lamp will fail, as it should. In this example the resistor must be 20 ohms. A 6-volt drop equals 0.3 amps flowing thru 20 ohms.  $6=0.3 \times 20$ .

To position the device, you must inventory the total circuit load in amperes. If you wish to do this for a circuit of many lamps you will run yourself in circles, because not all lamps will be 'ON' at the same time as when brake lamps switch on and off.

Converting all bulbs to 12-volts for this example is the best solution

But you didn't get off that easy; what about the ignition? Also there is no dropper that can handle any starter.

Finally each element must be connected to a unique circuit under the control of a selected dropper after you have determined their current (amperes). Horns are unique.

*This was one of Fran Drake's technical articles that ran in a previous edition of The Badger' A under the header of Sittin' on the Running Board. Fran gave a CD to us filled with his articles, technical drawings and photos that he had created over the years.*
