June 12th, 2024 CWC Meeting Minutes

(As Submitted by Joni Singer)

Call to Order: The meeting was called to order by President Tom Woltman at 7pm, at the CWC clubhouse. There were 32 members present. Tom Woltman led the Pledge of Allegiance.

Comments: President Tom Woltman thanked Steve King and Mark Anholt for following up on the memorial trees and doing ground maintenance. Thank you to Bill and Ron Winters for mowing the club grounds. Thank you to Ken and Joe for installing the new flag pole. Check out the various activities in the newsletter. Please be aware that there is a scam going around regarding a request by President Tom Woltman asking for money cards. Tom extended happy wishes to June birthday and anniversary members.

Correspondence: June correspondence was a thank you card from the family of Ron Ebacher for the memorial tree and an additional \$25 gift from the Ebacher family from the memorial.

Secretary's Report: Secretary Joni Singer reported the May 8^h 2024 meeting minutes were sent out in the June Muffler newsletter and posted on the clubhouse bulletin board. A motion was made by Deb Rycerz and seconded by Ginger Nelson to accept the meeting minutes. The motion was passed by those present.

Treasurer's Report: Treasurer Mary Voss shared information from the treasurers report /checking account. The report was, Expenses: AFF/beverages for clubhouse-\$61.68, Acuity Insurance-\$1,036.00, Roger Voss reimb beverages-\$25.49, Waterworks - \$85.42. Income: Additional charge for Muffler to be mailed-\$10.00, Sale of jukebox-\$60.00, New member dues-\$25.00. Reunion account: no change.. Treasurer's report will be placed on file.

Old Business: Club Grounds Use: Tom reminded everyone that to reserve the clubhouse, members should contact Vice President Ken Brekke at 715-459-6283 to get it on the calendar. **Installation of Outside Electric:** Mike Bigalke shared the estimate of \$1,200.00 to \$1,300.00 total for the electrical updates, plus the cost of lights to the clubhouse. The lighting for the outside of the clubhouse will be paid for by CWC. The electrical update work will be paid for by the Reunion and a donation from the proceeds from the Oshkosh National Convention. They are hoping to get this done next week. Jay, Dale V., Ken and Tom have said they would help and anyone else interested in helping with this project should call Mike Bigalke at 715-498-0770. **New Chairs for Clubhouse:** New chairs for the clubhouse were reviewed. The chairs would cost \$26 to \$28 per chair. We would want 50 chairs for a total cost of \$1,300 to \$1,400. A sample of the chair will be at the next meeting for members to see and a vote on purchase will be done at that July 10th meeting. **Flagpole:** Ken Brekke will report on this at the next meeting. **T & A Tour:** Members who attended the event stated it was very good. Ken Brekke will give an update on this at the July meeting. **Memorial Trees:** Steve King shared that trees were planted and he will be taking care of them for the first year as family members would have difficulty doing so. Thank you to Steve for volunteering to do this. **Iola Car Show:** Setup is July 8th from 7am to about 11am. Anyone who has not already signed up for this, but would like to help should call Dale Singer at 414-852-2333. Volunteer packets will be going out soon. If you do not receive your packet by two weeks before the car show call Joni Singer at 414-651-0974. Thank you to all the members who volunteered to help and to those who signed up for additional time on Thursday afternoon. We could still need additional help on Thursday afternoon. If you are interested in helping or know someone who is interested please contact Joni Singer.

New Business: By-law Change: By-laws article 16 regarding memorial trees cost was discussed and needs to be changed based on the cost of recent trees purchased. A proposal to change the tree amount the club pays to \$200.00 was made by Ed Wagner, seconded by Tom Boudreau and passed by members present. Additional discussion regarding having one memorial tree for a couple resulted in a proposal by Dale Singer, seconded by Mike Bigalke and passed by all members present. These By-laws changes will be presented at the July meeting for a final vote. **Member Update:** Don Johnson will be having heart surgery at the end of the month. Please keep Don and Barb in your thoughts and prayers. Wishing him a speedy recovery. **Mower Repair:** Bill Winters shared that there are issues with a mower and he will be getting a repair cost for the mower to be reviewed at the next meeting. **Amherst Day Car Rides:** Roger Voss stated that he has had a request for our club to provide car rides at Amherst Day on September 7th. Comments from the Club President

Hello Fellow Club Members,

It is already half way through June. The time seems to going by fast but still some good weather for getting those Model A's out. Please look at the activity list later in the news letter. We have several in the next few months. Of course, just around the corner is the lola Car Show. Please sign up to help if you haven't or reach out to a friend and ask. We now have a new Flag pole and from what I heard a very good T & A tour. Those on the tour said it was very good and shout to Ken for taking the lead. He give us a personnel update at the next meeting. From the meeting, a couple of items to note is potential change in the by laws on Memorial Tree's and possible looking on buying new chairs for the club house.

THE NEW CWC FLAG POLE

Thank you Ken Brekke and Joe Thorn for donating and installing the new flag pole with a solar light, so old glory shines day and night.

The Annual T & A Tour

"The weather didn't dampen the excitement of the T&A Tour this year. We had eleven Model As and a few modern cars. Around 30 members of the Model A Club and the Model T Club and some visitors, enjoyed a great tour of W.J. Doran's Hardware Store and the restored Waupaca Train Depot Museum. Luke from the Hardware Store gave us tour of the store and it's history. The building was built in 1907 as a machine shop. The machines are in the basement and some are still driven by an old line shaft and belt system. At one time they all were. They are all in working order and still being used. There is also has a forge shop to work on blacksmithing projects. Luke is currently the new owner and bought the business from Wally Doran. Luke is in the process of restoring a 1913 Maxwell car. The building next door was originally a Maxwell car dealership.

After the hardware store tour we went over to the Waupaca Train Depot. The Depot has been restored to its original condition after sitting vacant and being vandalized over many years. Mike Kirk worked on the restoration and former RR employee, gave us a detailed story of the history of the depot. In one of the out buildings there is an old Waupaca Trolley car on display. I never knew that Waupaca had a

Trolley. There is also a couple of other train cars on display. In the basement of the depot there is a model train layout that is very large and meticulously detailed. They are recreating the train lines and surrounding buildings that are in the area. If you ever want something to do while in Waupaca, I would highly recommend visiting Doran's Hardware and the Waupaca Train Depot. After touring the Waupaca Train Depot Museum, we all proceeded to Schueller's for a great lunch and headed home afterwards. Thanks to Luke and Mike for a great T&A Tour!!!!" (Ken Brekke)
